Summary

BOXPARK Liverpool is the brand's first site outside of London. This cutting-edge leisure destination is a welcome addition to the city's already buzzing cultural scene and is located right in the centre of the city's creative district, the Baltic Triangle.

In addition to the large format digital screen and two banners on the external facade of BOPARK Liverpool, we present brands with the opportunity to book banners situated on the inside of the venue, offering long dwell times and the chance for brands to be at the heart of the action.
